

Villa Sakti

Bali Accommodation : Balinese for a place of magical, supernatural, or divine power - stands out as one of the more extraordinary examples in Bali of modern tropical architecture and effortlessly elegant living. Built to the exacting specifications of internationally renowned Dutch Architect Joost van Giecken , Villa Sakti is completely built from natural materials including red stone from the island of Lombok, luxurious suarwood and teakwood from Indonesian Borneo, specially cut marble and tiles from Java and Sulawesi, and Balinese materials sourced from all over the island.

Complementing the use of luxurious natural materials, **Villa Sakti** is furnished with extraordinary artifacts and antiques acquired by collectors from Indonesia and across Asia over a period of some 40 years. With its lush tropical garden, 18 meter infinity pool and magical architectural design that blurs the boundaries between in-door air-conditioned comfort and outdoor living, Villa Sakti truly is a magical private retreat in the middle of Seminyak, the hottest holiday location area in Bali. Your stay in Villa Sakti puts you in an environment of unparalleled art and luxury.

Location Villa Sakti is located only 15 minutes from Bali's international airport within an exclusive private estate. Its unique location provides a private, tropical retreat with immediate access to internationally recognized restaurants, clubs, shopping areas and spas, as well as easy access to the rest of Bali. Internationally acclaimed Petitenget Beach, with its sweeping views and beautiful wide sand beach, is walking distance. World-class restaurants including Ku De Ta, La Luciola, The Living Room, Breeze at the Semaya and Blossom at Santosa are literally just minutes away. At the entrance to the villa's private lane is one of the best Japanese restaurants on Bali.

Seminyak's best shopping, music clubs, chic lounges, and nightlife surround Villa Sakti, including those looking out over Petitenget Beach. Many of these options are within walking distance of Villa Sakti, or transportation can be arranged by the villa staff. For golf enthusiasts, Nirwana Bali Golf Course, a Greg Norman designed course voted number one in Asia, is just a short drive away near the revered Hindu temple

of Tanah Lot. Tee-times can be arranged by the guest relations manager. For horse enthusiasts, the Umalas Equestrian Center is nearby. Tennis and squash can be arranged at several of the hotels located near the villa, including the famous Oberoi and Legian hotels.

Villa Sakti is located safely in a private estate with 24-hour security at the entrance to its private lane and its own security guard at night.

Staff Villa Sakti is a six-star resort with staff trained to meet all your needs. Staff include a full time guest relations manager to organize any assistance you need inside or outside the villa, a full time chef, and three private villa attendants for your personal service. Villa Sakti staff are chosen for their genuine warmth and natural friendliness, and are on duty 24 hours per day. From your collection at the airport to your departure home, your every need is greeted with attention and care. Privacy and discretion are assured from staff who understand the right measure of being at your disposal if needed, and out of sight if not.

Garden and Pool Villa Sakti's luxurious walled tropical garden includes beautiful red and yellow bamboo, breadfruit trees and natural palms. Orchids and bougainvillea color the walls and terraces and across the villa garden are indigenous flowers and plants from around Indonesia. Water falling from numerous fountains and the infinity pool provide a background for the songs of tropical birds, or your own music from the villa's sound system.

The entire villa compound is anchored by its stunning 18 meter pool with its own natural bio-system for water purification and filtration. The pool is perfect for laps or play, pool side coffee in the morning, pool-side drinks in the afternoon or pool-side candle-light dinner in the evening, all served by your private staff.

The beautiful deep azure pool is complemented by a teakwood deck complete with sunbeds, umbrellas and green marble side-tables. In the Balinese style, a main feature of Villa Sakti's outdoor living space is its Balinese 'bale', an open-sided relaxation and entertainment area beautifully furnished for lounging, reading and relaxing.

Dining Villa Sakti's solid, one-piece suarwood dining table seats 12 comfortably inside, or guests can elect to dine by the pool. A private wine cellar provides guests with an unusually spectacular selection of wines from Italy, France, Spain, Argentina, Chile and Australia among others, to compliment the chef's selections. Villa Sakti's full time chef trained at Warisan, the famous Seminyak restaurant, and can prepare breakfasts, full lunches, snacks and dinners upon your order in the villa's state-of-the-art kitchen or on the outdoor grill. The villa serves the finest coffees and teas from Sumatra, Sulawesi and Java. Villa Sakti's dining room can be open to create a feeling of outside tropical living, or closed to enjoy air-conditioned dining.

Bedrooms Villa Sakti offers four private bedrooms in three main buildings, all with en-suite bathrooms and full air conditioning. Sleeping arrangements are flexible with comfortable accommodations for any combination of up to 8 adults and four children. Bed arrangements for adults can be set with either four king size beds, one in each bedroom, or a king size bed in each of three bedrooms with the remaining room set with two single beds. Two rooms have additional day beds that can accommodate additional adults or children.

Each room opens to provide beautiful views of the gardens and artwork, and are complete with Bose sound

systems, flat screen TVs with DVD players, complete cable television, broadband internet access available 24 hours and private writing desks in each room. An extensive library of international DVDs and music is available for your entertainment, and Bose Ipod docking stations are located in all rooms.

Showers are particularly luxurious, with overhead 'rainshowers' that provide extraordinary bathing, two of which are located in their own private gardens. All bathrooms are finished in warm teak, suarwood, and Javanese tiles.

Kitchen and Service Areas Villa Sakti's kitchen and service areas are separated from guest living and garden areas so normal staff activities do not disturb guests. The kitchen is state-of-the-art and furnished with German and Italian appliances. A modern grill provides alternatives for grilling and entertaining in the garden. Laundry and dry cleaning is arranged by the staff and is returned within one day. Special meals can be prepared upon order. Offices for the staff and guest relations manager are completely separate from the guest areas to ensure your privacy. Staff are on duty 24-hours per day and, as with all six-star resorts, can be reached by the integrated phone network installed throughout the villa.
